FAQ About Dumpster Rental

How long can you keep a rented dumpster?

Most dumpster rental companies in Pittsburgh allow you to keep a rented dumpster for a period of 7 to 14 days. However, you can often request an extension for an additional fee. It's essential to confirm the rental duration and any potential charges with the provider when booking.

What can you put in a dumpster for rental?

You can generally put construction debris, household junk, yard waste, and appliances in a rented dumpster. However, hazardous materials like chemicals, batteries, and tires are typically prohibited. Be sure to check with your rental company for a complete list of acceptable and restricted items.

Do I need a permit for dumpster rental in Pittsburgh?

In Pittsburgh, a permit may be required for placing a dumpster on the street or public property. If the dumpster will be on private property, a permit is usually not necessary. It’s important to verify with the local regulations or your rental company for specific requirements.

How do I choose the right dumpster size?

Choosing the right dumpster size depends on the amount and type of debris you plan to dispose of. Common sizes range from 10 to 40 yards. For small cleanouts, a 10- to 20-yard dumpster is often sufficient, while larger projects, like renovations, may require a 30- or 40-yard option. Consult with your rental service for recommendations.
