What is Big Bass Crash?

At its core, *Big Bass Crash* is a social multiplayer crash game. Unlike a standard slots where players press a button and wait on the reels to stop, *Big Bass Crash* puts control directly into the player's hands.

The theme stays loyal to the renowned fishing aesthetic. Players see a fisherman set sail on his boat, casting his internet into the water. As the net comes down, a multiplier starts to tick up-- starting at 1.00 x and climbing up higher by the second. The goal is basic: money out your winnings before the net gets snagged, the line breaks, or the boat crashes. If you cash out in time, you multiply your stake. If you wait too long and the crash takes place, the bet is lost.
