Winter weddings in Maine come with their own kind of scenery, often quieter and more intimate, and Annie Paige Photography has experience capturing that atmosphere. Softer winter light and, occasionally, snow-covered backdrops give winter wedding photos a distinct look compared to summer or fall ***candid wedding photographers Portland*** sessions. Indoor venue lighting becomes more of a factor during winter months, something experience helps navigate smoothly.

Annie Paige Photography | 59 State St, Portland, ME 04101 | (207) 841-4333

Couples drawn to a quieter, more understated wedding often find winter dates appealing for exactly that reason. Call (207) 841-4333 to ask about winter wedding photography.
