FAQ About Dumpster Rental

How long can you keep a rented dumpster?

Most dumpster rental companies in Fresno allow you to keep a rented dumpster for 7 to 10 days. However, you can often extend the rental period for an additional fee. It's important to clarify this with the rental company at the time of booking.

What size dumpster do I need for a home renovation project?

For a home renovation project in Fresno, a 10 to 20-yard dumpster is usually adequate. A 10-yard dumpster is suitable for smaller projects, while a 20-yard dumpster can handle larger renovations. Assess your project's scope to choose the right size.

What items are prohibited in a dumpster rental?

Prohibited items in dumpster rentals typically include hazardous materials, tires, appliances, and electronics. Each dumpster rental company in Fresno may have specific restrictions, so it's essential to check their guidelines to avoid extra fees or penalties.

Do I need a permit for a dumpster rental in Fresno, CA?

In Fresno, a permit may be required for dumpster rentals placed on public streets or sidewalks. However, if the dumpster is placed on private property, a permit is generally not needed. It's best to consult with your rental company to determine if a permit is necessary for your situation.

Benefits of Using Frontline Dumpster Rental for Your Waste Disposal Needs

Choosing Frontline Dumpster Rental for your dumpster rental needs in Fresno comes with numerous advantages. Our team is experienced in local regulations and can guide you through the process to ensure you remain compliant with all city codes. We pride ourselves on offering excellent customer service, competitive pricing, and flexible rental terms that can be adjusted based on the duration of your project. Plus, our commitment to eco-friendliness means we focus on responsible disposal of waste materials.
