- **Live Statistics:** Players have access to real-time information showing previous multipliers, ongoing bets from other individuals, and a leaderboard highlighting the greatest wins of the day, month, and year.
- **Double Betting:** Aviator enables gamers to position two separate bets on a single round. This opens innovative betting methods, such as cashing out one bet early to secure earnings while letting the second bet trip for a higher multiplier.
- **Automobile Play and Auto Cash Out:** For players who prefer a structured technique, the game provides automated features. Auto Play places bets automatically, while Auto Cash Out gathers jackpots when an

established multiplier is reached.
