What is the Aviator Game?

Developed by Spribe, Aviator is a social multiplayer crash game. Unlike traditional casino video games with fixed paylines, Aviator introduces a vibrant curve multiplier that can crash at any second.

The property is easy:

1. **An airplane takes off**, and as it acquires elevation, the multiplier boosts.
2. **Players position a couple of bets** before the round begins.
3. **The objective is to squander** before the airplane arbitrarily flies away.
4. **If the airplane flies away ("crashes") before cashing out**, the gamer loses their stake.

The enjoyment originates from human psychology: do you squander early for a modest, ensured win, or do you hang on to watch the multiplier skyrocket, running the risk of an overall loss?

How Aviator Works: Game Mechanics Explained

Understanding the rules is essential before betting genuine money. The game is powered by a Provably Fair cryptographic system, making sure that every round's outcome is totally random and transparent.

Key Features of Aviator:
