For those curious about why this virtual aircraft has caught the hearts of Kenyan punters, this extensive guide checks out how the game works, techniques gamers use, and how to enjoy it properly.

What is the Aviator Game?

Established by Spribe, Aviator is a social multiplayer game coming from the "crash game" category. Unlike standard slots with spinning reels or table video games with complicated guidelines, Aviator is developed around a rising curve that can crash at any time.

The premise is simple:

1. **A plane removes**, and with it, a multiplier coefficient starts to increase.
2. **Gamers put one or two bets** before the round starts.
3. **The objective is to squander** before the fortunate airplane flies away (crashes).
4. If a gamer cashes out in time, they win their stake increased by the present coefficient. If the airplane flies away before they squander, the bet is lost.

This blend of timing, psychology, and threat management has made it a staple throughout nearly every major betting site in Kenya.
