FAQ About Dumpster Rental

How do I choose the right dumpster size for my project?

Choosing the right dumpster size involves assessing your project's scope and the volume of waste. Common sizes range from 10 to 40 yards. A 10-yard dumpster is suitable for small cleanouts, while larger sizes like 30 or 40 yards fit renovation or construction projects.

What items are prohibited in a dumpster rental?

Prohibited items in dumpster rentals often include hazardous materials, electronics, appliances with refrigerants, tires, and certain construction waste. It's essential to check with the rental company for specific guidelines to avoid additional fees.

How long can I keep a dumpster rental?

Most dumpster rental companies in Chicago allow a rental period ranging from 3 to 14 days. Additional charges may occur for extended periods, so it's advisable to clarify rental duration with the provider.

Do I need a permit for a dumpster rental in Chicago?

Yes, a permit may be required if you place a dumpster on a public street or sidewalk in Chicago. It's important to check local regulations and arrange for any necessary permits through the city before ordering a dumpster.

Permits and Regulations in Chicago

It's important to be aware of local regulations when renting a dumpster in Chicago. Depending on your project and where you plan to place the dumpster, you may need a permit. Pro Haul Dumpster Rental can assist you in navigating the regulations pertaining to dumpster placement to ensure you are within regulations. We want to help you avoid any issues that could delay your project. By partnering with us, you can rest easy knowing that your dumpster rental is managed with the utmost professionalism.
