Dumpster Rental Portsmouth: What Sizes Work Best for Your Job?

One of the first decisions you'll make is which dumpster size to rent. Different projects generate different volumes and types of debris. Here's a quick sizing guide for Portsmouth residents and contractors:

10-Yard Dumpster

This is the smallest size and perfect for:

- Small home renovations
- Garage cleanouts
- Yard debris after landscaping jobs

Pricing example from D.E.M.M. DUMPSTERS LLC:

Rental Period Price 3 days \$349 7 days \$399 14 days \$469

15-Yard Dumpster

This mid-size option is ideal for:

- Medium remodel projects
- Roofing tear-offs
- Large cleanouts with mixed debris

The 15-yard can hold roughly 1.5 to 2 pickup truck loads, making it a versatile choice for many Portsmouth projects.

20-Yard Dumpster

If you're working on larger construction or demolition sites or doing a major home renovation, a 20-yard dumpster offers the most capacity:

- Accessible for bulky debris
- Great for high-volume waste removal
- Helps avoid multiple dumpsters and trips

What About the Weight Limits and Extra Charges?

One of the standout features of renting from D.E.M.M. DUMPSTERS LLC is the transparency around included weight and overage costs. Each rental includes a set tons allowance (depending on dumpster size) built into your price, so you know exactly what you're getting.

If your debris exceeds the included weight, overage fees apply on a per-pound basis. However, these are clearly stated in your rental agreement during booking, so you won't face any hidden fees or surprises when the dumpster is picked up.
